Senior Singles Knockout Rules

Senior members should only put their name down if they play regularly & will commit to playing by the dates on the draw sheets.

Both players are responsible for getting the match played on time.

The top player should offer the bottom player 3 dates to play the match.

If the bottom player cannot play on dates offered, the top player will go through.

If no result is forthcoming by the deadline date, the bottom player will be put through.

If a player does not play their match by the date specified (due to injury or illness, not holiday), then the date will be extended by a maximum of 2 weeks. If they can still not play, then the other player will be put through.

All matches **MUST** be completed by the due dates.
